Foreword

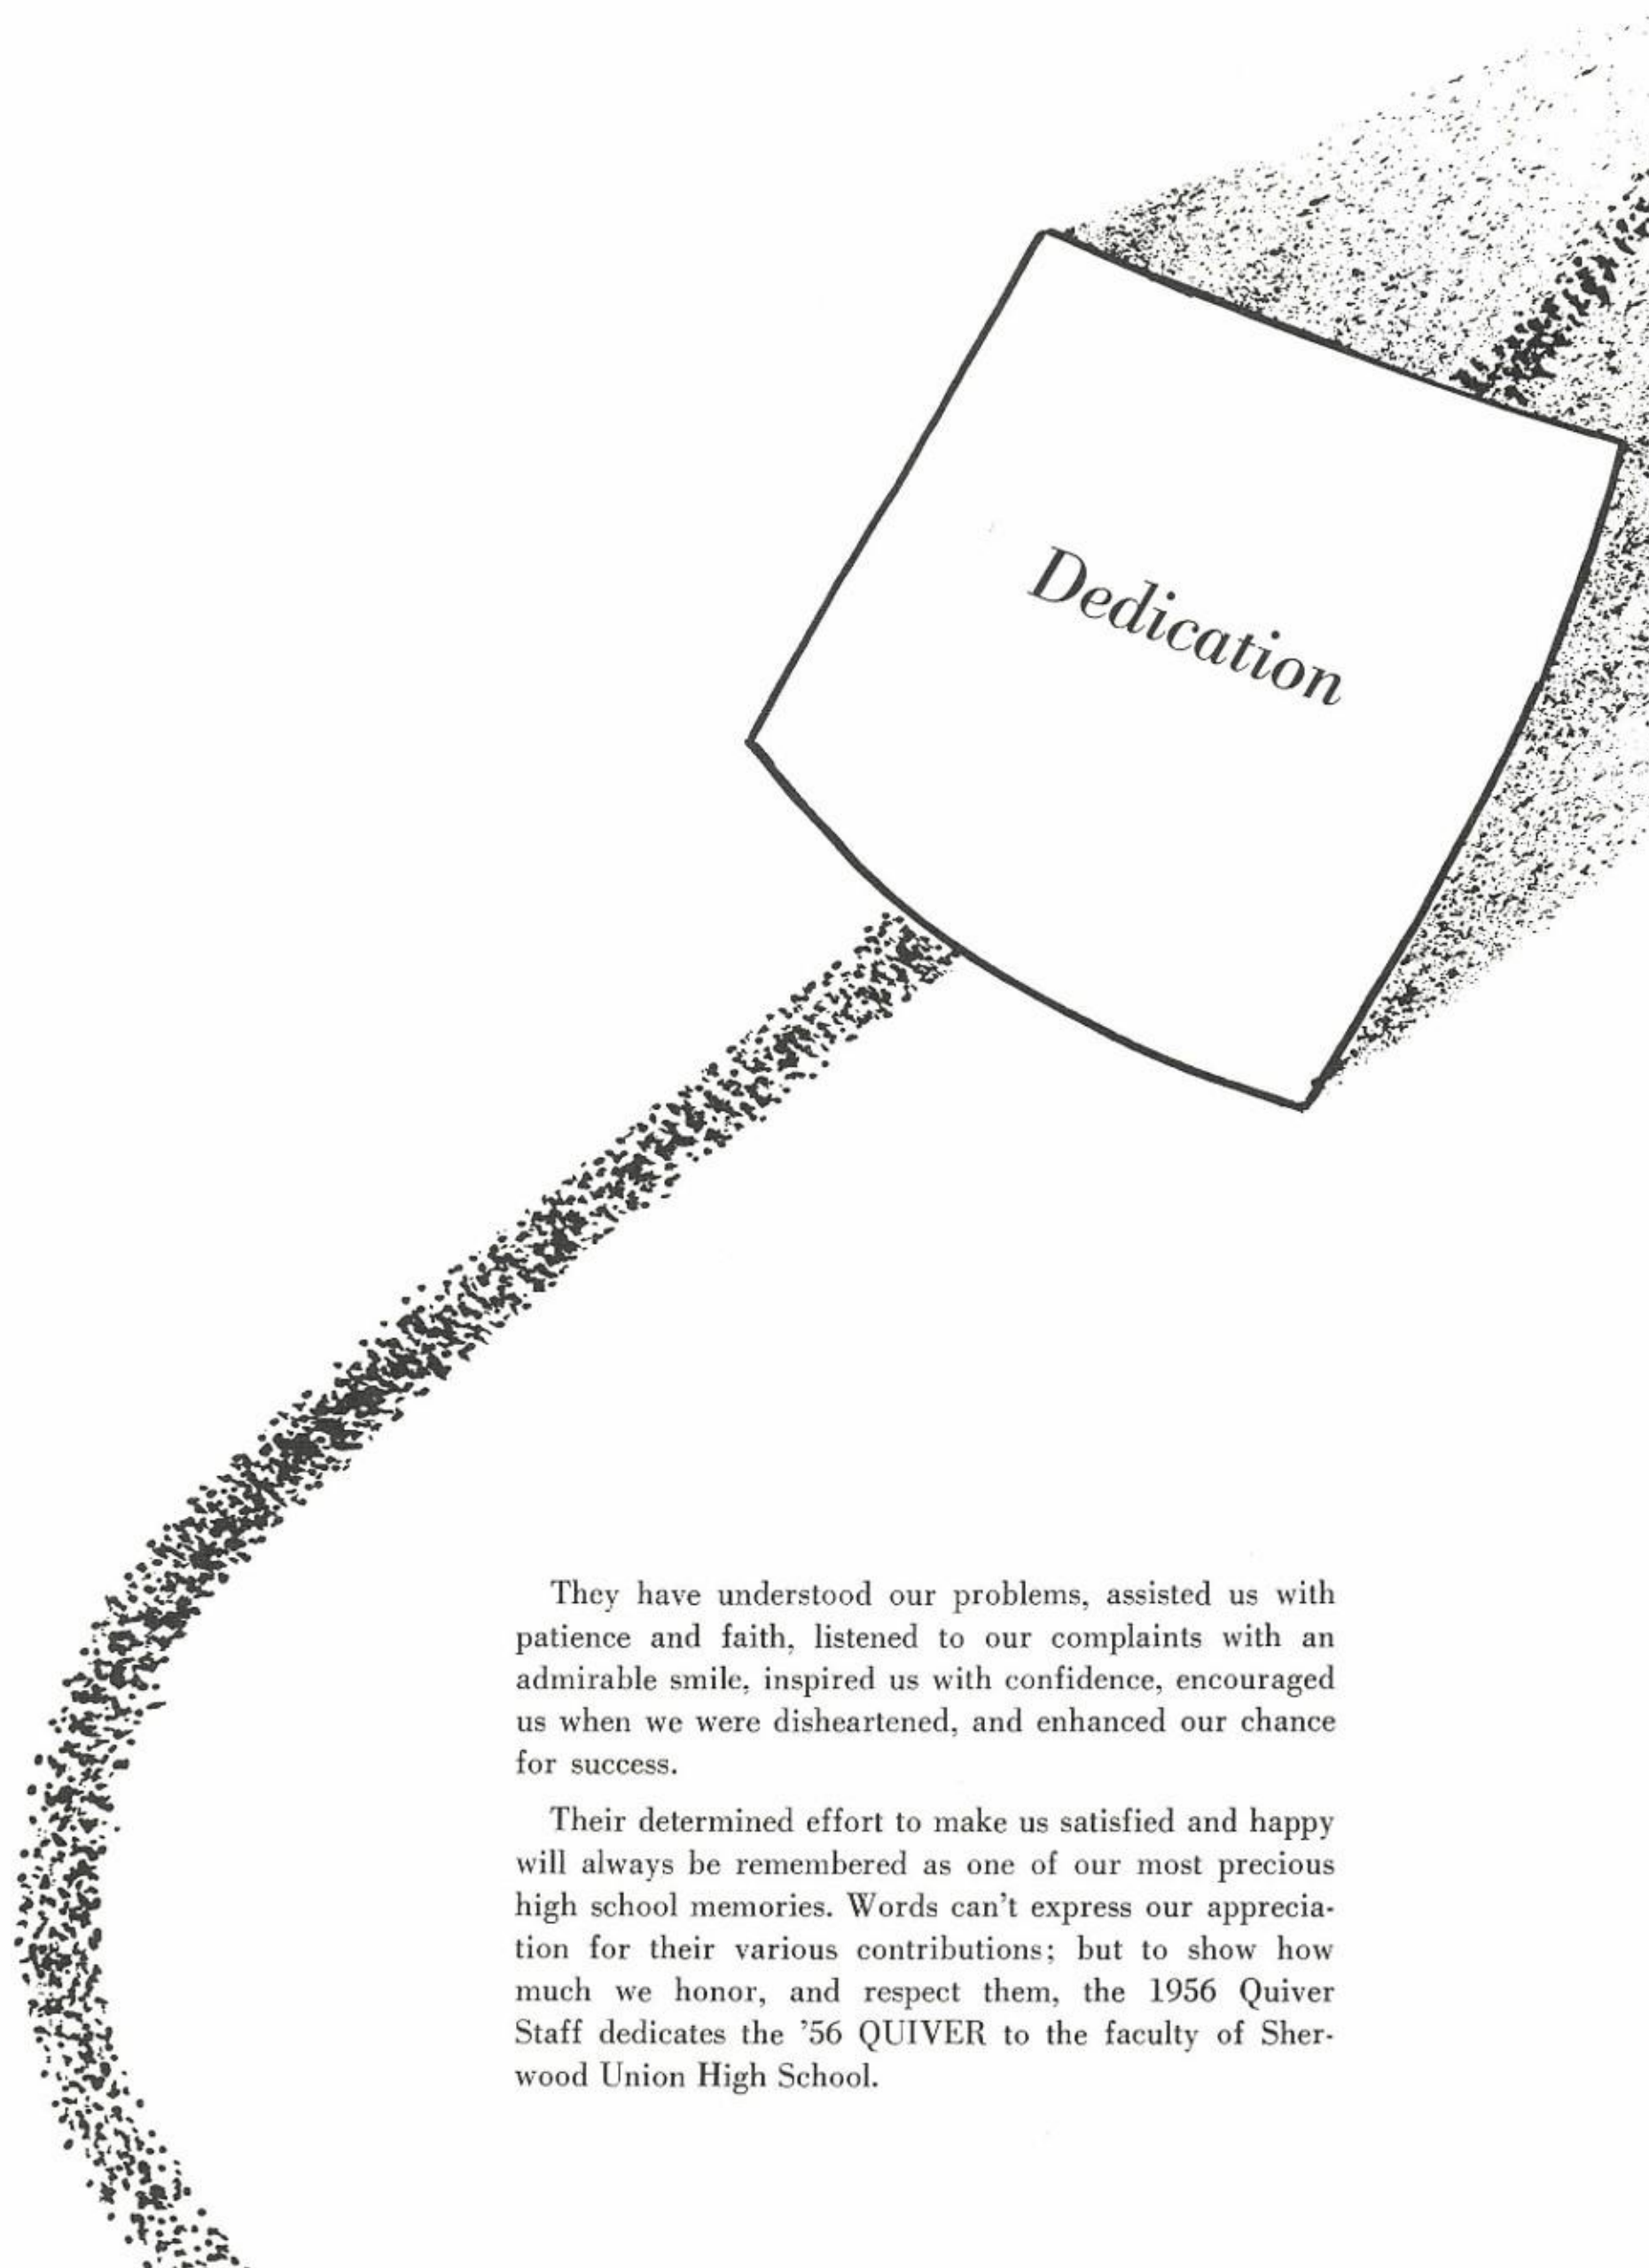

We, the annual staff, are proud to present to you our 1956 QUIVER. This book has caught glimpses here and there, so that in years to come the activities, as well as the scholastic record of this school year at Sherwood High, will not be dimmed and will not fade from memory.

In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of '56, we shall be content, knowing that we have done the thing we were called upon to do.

THE QUIVER STAFF

Charlotte Schultz, Editor

Dedication

They have understood our problems, assisted us with patience and faith, listened to our complaints with an admirable smile, inspired us with confidence, encouraged us when we were disheartened, and enhanced our chance for success.

Their determined effort to make us satisfied and happy will always be remembered as one of our most precious high school memories. Words can't express our appreciation for their various contributions; but to show how much we honor, and respect them, the 1956 Quiver Staff dedicates the '56 QUIVER to the faculty of Sherwood Union High School.

Leaders

MR. GIBSON, *Principal*

In portraying the activities and events of a school year, we hope your annual will cause you to reflect occasionally upon the purposes of a school organization. The purposes are many, and not easy to enumerate, but one of the major ones is the development of the mind.

Your school has put an increasing emphasis on scholarship because it realizes that in the final analysis, ideas of the mind determine worthwhile human activity. Every picture in your annual indicates that minds are at work. Each activity has had a contribution to make toward your mental development. Those that required consistent concentration were of the most value. All were preparing you to make a living as well as a life.

This year of education has been both a privilege and a responsibility. Much has been given to you; therefore, much should be expected of you.

Your community will be a better place to live because you have spent this year at Sherwood Union High School.

The Student Council Sets High Standards

The student council, under the supervision of Mr. Gibson, principal, fulfilled its duties with high standards. The council is the governing power over the student body, as well as a student court to help in any disciplinary problems. The council is made up of class presidents, class representatives, representatives from all organizations, and student body officers.

DeYoung, W. Drager, D. Hite. Third row: S. Anderson, J. Stewart, Mr. Gibson, J. Rome, C. Crecraft, B. Jackson.

Under the careful supervision of Mrs. Lekas, the students working in the office received much valuable training. Through her guidance and their willing industry, the school office functioned smoothly and efficiently.

BOB BAXTER, Maintenance

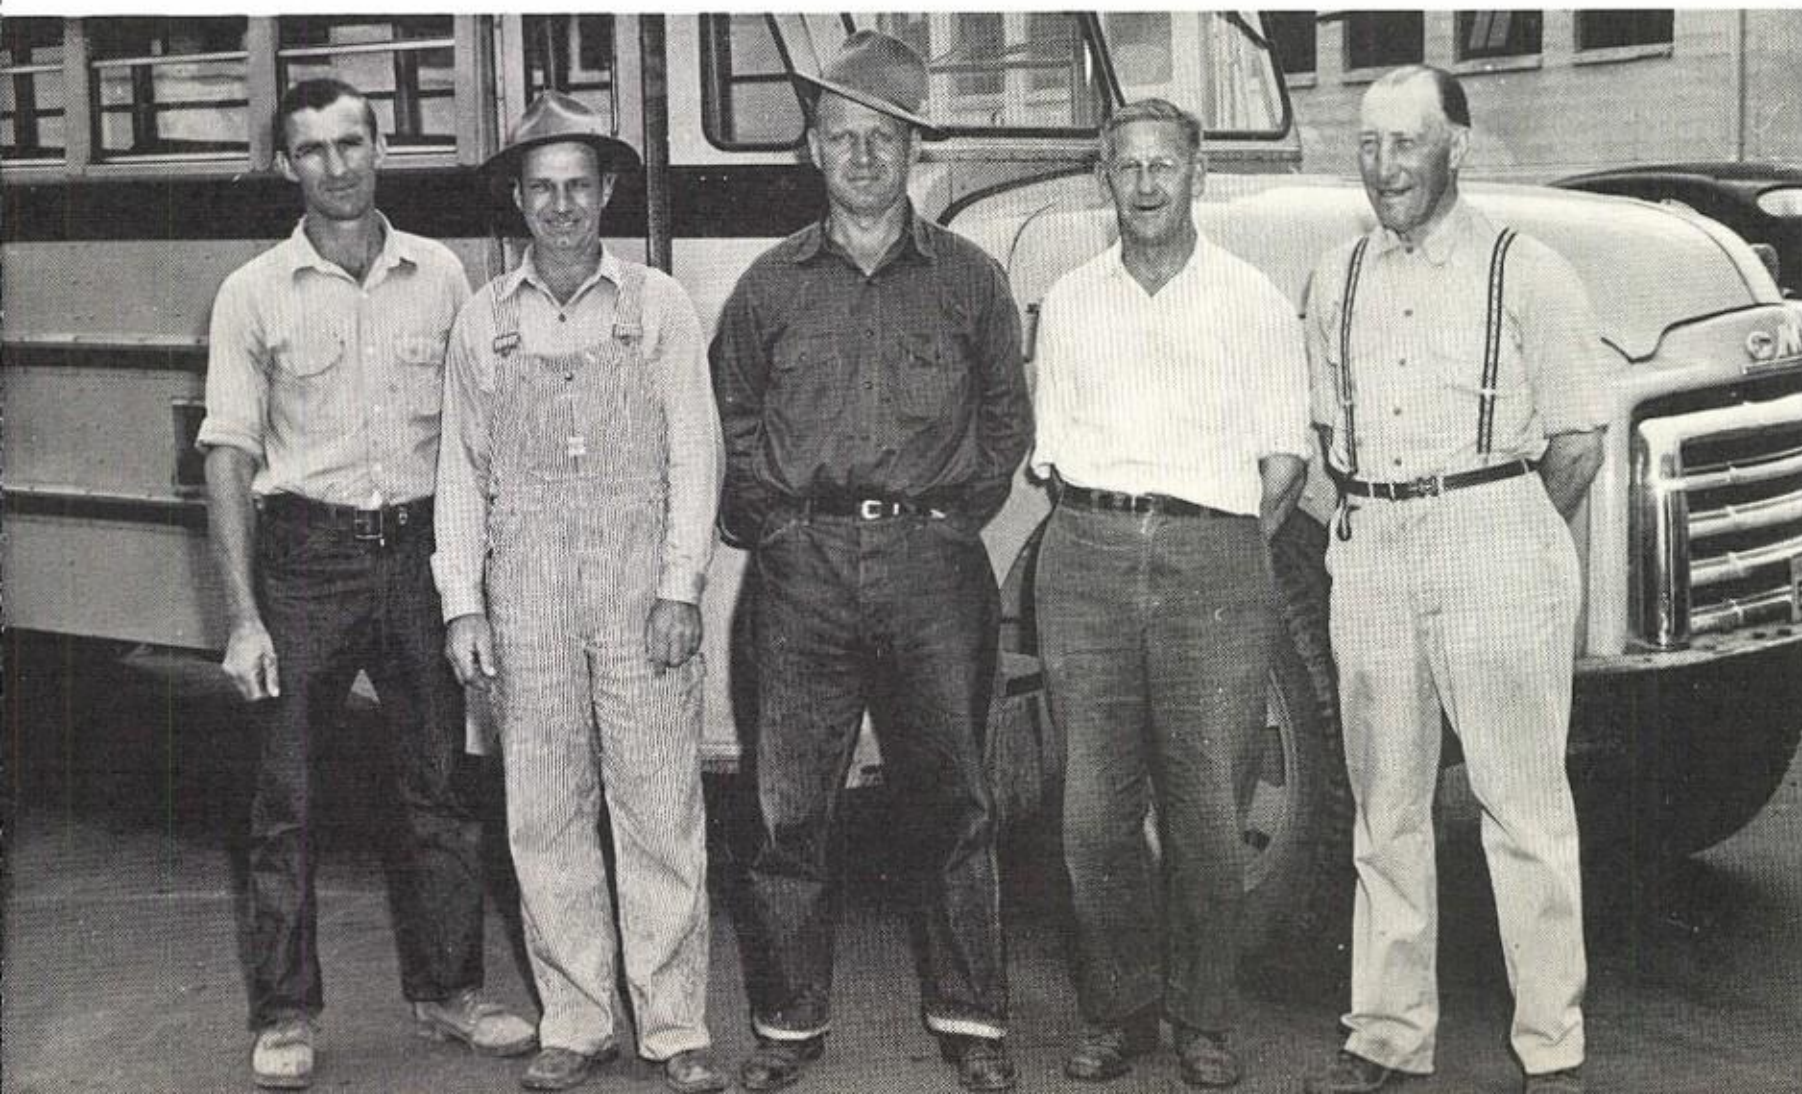

HOMER HAYNES, Custodian

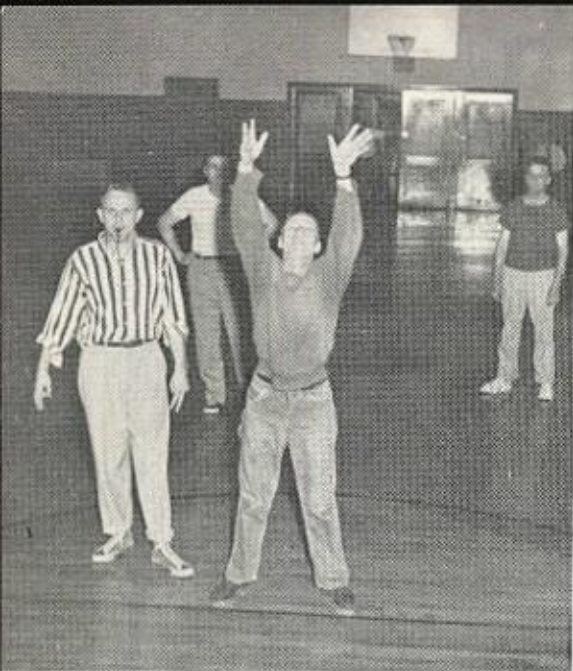

A great deal of praise is deserved by the two behind-the-scenes men who keep our school in ship-shape order. Homer Haynes, our custodian, just spent his twentieth year working for the benefit of Sherwood High. Bob Baxter, our maintenance man, is always waiting with a pleasant smile and a willing hand, ready to help anyone he can.

These Men Work Ceaselessly to Maintain Our Building

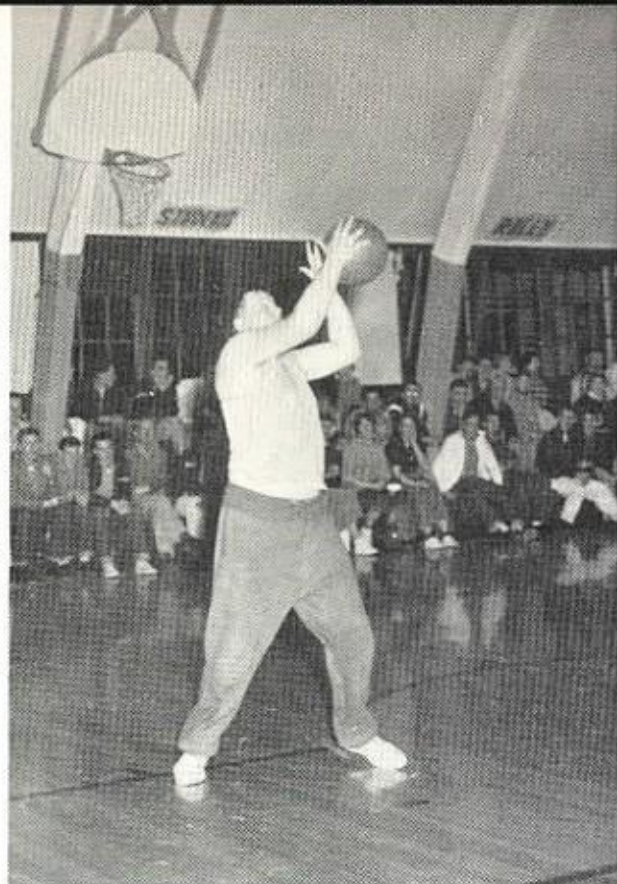

Without the daily responsibility which is so faithfully carried out by our bus drivers, the efficiency of our school would not be so great. A shout of approval should go to these five men.

BUS DRIVERS: E. Haide, A. Conzelmann, E. Anderson, B. Baxter, O. Shaltenbrand.

Parents Are Interested in the School

The Moms and Dads Club, fully recognizing the need of school and home cooperation, had a number of panel discussions for their monthly meeting; students, teachers, and parents were represented on the panels.

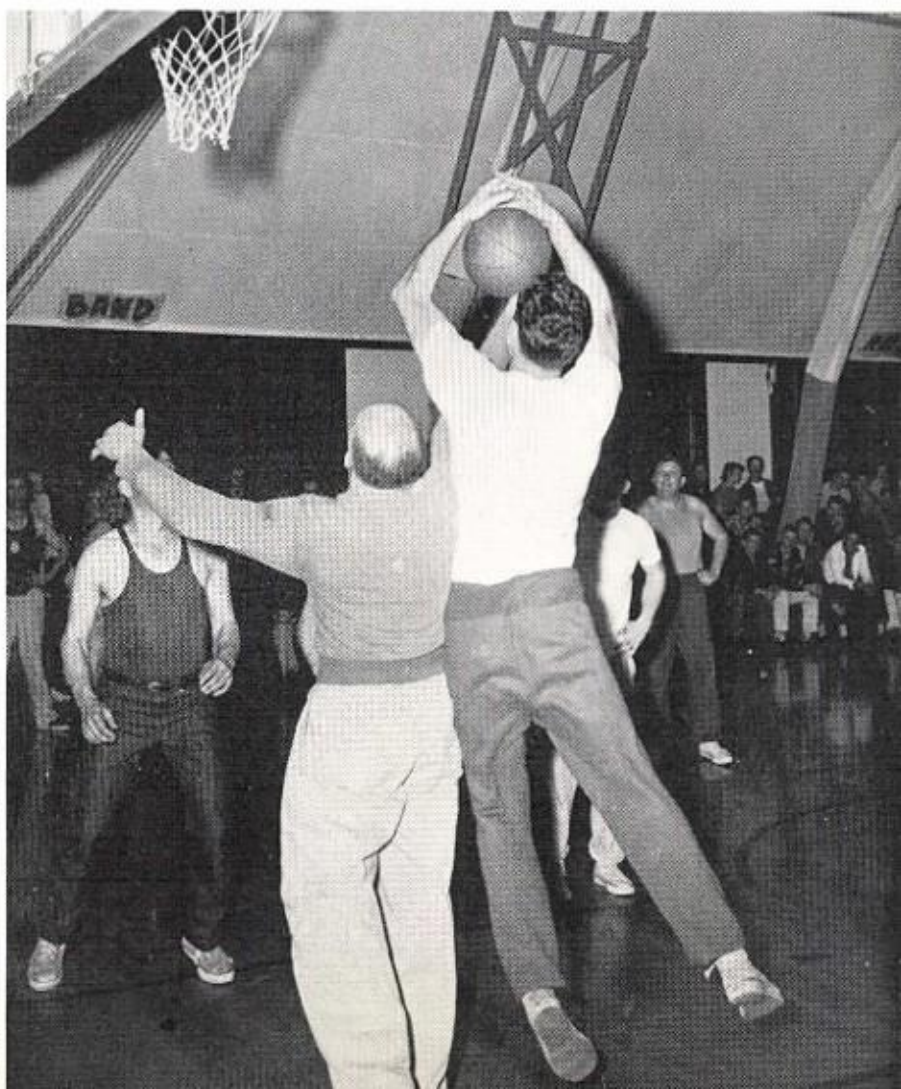

Co-sponsorship of a project to bring a foreign exchange student to Sherwood was one of the year's accomplishments. The continuing project of \$100 scholarship was awarded to Charlotte Schultz.

This year's officers wish to thank the many persons who gave their kind and willing help, and urge a fuller participation by all parents.

Mr. Gibson, Dr. Harold Tuttle, Father Hanley

The seniors began their graduation week Sunday, May 20, as they walked down the aisle at the baccalaureate services. The musical numbers were exceptional, the speaker was excellent, and the event was well covered by the photographer. Owing to an unfortunate and unavoidable circumstance, only one photograph was usable. The graduating seniors, however, will long be reminded of this service by the program which is reproduced below.

Graduating Class of 1956

Diplomas – Symbol of Scholarship

On the eve of May 24, forty-six students of the class of 1956, were graduated from Sherwood High. The speaker of the evening was Dan W. Poling, Dean of Men, Oregon State College. "Pioneering" was the topic of his address.

Mr. John B. Gibson, principal, presented special awards and scholarships to members of the graduating class.

Reverend Willard Norman gave the invocation and benediction.

Mr. Harry Schmeltzer, Chairman of the School Board, presented the diplomas.

The senior class sang "You'll Never Walk Alone," as their parting song.

As a gift to the school the class of '56 donated a new trophy case. They also contributed to the foreign exchange student fund.

Scholarship Was Not Overlooked in the Social Whirl

The junior class had a busy year handling their many traditional events. They sponsored the basket social, Sadie Hawkins Dance, Junior-Senior Banquet, and Junior Prom. They also had pie sales, and sold coffee and doughnuts at the football games. There was much excitement at the beginning of the year when they received their long-awaited class rings.

Seated: R. Brady, J. McColm, S. Kadel, Mr. Knight, Miss Hagelstein, J. Andrews, K. Smith, D. Timbrel, J. DeYoung, M. Desler, S. Anderson, M. Saylor. Standing: M. Douglass, D. Davis, L. Spath, T. Leslie, B. Hogsett, S. Arthur, N. Harbick, J. Parrott, M. Kluser, C. Haag, R. Steffen, M. Heine, J. Reish, W. Ficken, J. Jeffers, E. McColm, M. Weston, D. Hite, M. Barnum, A. Larsen.

CLASS OFFICERS: D. Vick, Vice President; P. Glendening, Secretary; S. Sasaki, Treasurer; W. Drager, President.

Good Students Abound in the Sophomore Class

The sophomores started the year by officially making the freshmen student members of S.U.H.S. when they initiated them on September 16. The next event of their busy year was the Carnival, with Nancy Westcott and Sue Sasaki representing them as princesses. The Turkey Raffle concession was successfully operated by class members. In April they ordered their class rings from the Crown Company. For May Day, Barbara Day represented the class as princess with Gary Schneider as her escort. To add to their growing treasury, they sold hot dogs and pie.

First row: Mrs. Wilkins, E. Yeager, D. Vick, C. Glover, K. Snyder, B. Day, S. Sasaki, K. Glover, N. Longway, M. Blaser, Mr. Smith. Second row: K. Eaton, V. Davis, P. Glendening, S. Coshow, J. Larsen. Fourth row: L. Olds, R. Delker, K. Klum, C. Isaacson, D. Stearns, D. Marlin, G. Schneider, L. Mayfield, D. Pileggi, D. Bischof, B. Houston.

OFFICERS: L. Oyler, Secretary; A. Brickley, President; J. Isaacson, Vice President; L. Scott, Treasurer.

The freshman class came into S.U.H.F. forty-five strong. Three new members were added during the year, and five dropped out, thus ending the year with forty-three. A Christmas card sale resulted in a good profit for the treasury. A few interested class members kept the candy concession going, although the returns were discouraging. The bingo concession at the school carnival was very successful. Glenda Stanley and Betty Ferris were chosen as carnival princesses, and the class favored Letty Oyler and Tom Robbins for May Day princess and escort.

OPPORTUNITIES IN AGRICULTURE

Farming is not an easy occupation. Many kinds require long days of hard work, especially during the growing and harvesting seasons. Investment and operating costs for adequate size units are high and, in many cases, risks are great. If these cautions are observed, farming offers an excellent opportunity for vigorous, intelligent operators. Farming is not just

Satisfaction Is Found in Skills

A great interest has been shown in the commercial courses this year. The students realize the practical value of these courses which may be used directly for job placement, as a basis for further study, or as a useful tool in everyday life. A team made up of all members of both the first and second year shorthand classes won an O.G.A. pennant for superior shorthand notes submitted in a national contest. A number of seniors secured office jobs to begin immediately after graduation.

C. Haag, G. Anderson, D. Hite, J. Parrott, J. Kruger, C. Meissinger, A. Bohm, N. Schroeder, D. Kruger, Mr. Scheele.

One of the many elective courses at Sherwood High is physics. This year Mr. Scheele worked with fourteen science-minded students, introducing them to the many wonders of man's discoveries in the properties of matter and energy as embraced in the sciences of mechanics, heat, light, electricity, and other physical phenomena. The physics class soon weeded out those students who were looking for a "snap" course.

Science and Math Are Basic for Good Scholarship

The pattern for the year's work in algebra was set when the class opened with a test. The students were given a thorough workout before the year was over. Suzanne Sasaki and Dee Ann Vick led in computational abilities. Proof that the class was challenging came when many of its members expressed an intention of taking Algebra II and Trigonometry in 1956-57.

Standing: G. Schneider, Mr. Smith, S. Coshow.

AGRICULTURE

The classes in agriculture have a well-outlined plan for study in each of the four years of high school. In the freshman year the emphasis is on the raising of animals; the sophomores concentrate on soils, fertilizers, and crops; the juniors get experience in farm mechanics; farm management becomes the area for study in the senior year. Throughout the four-year course, the students are engaged in various F.F.A. projects.

HOME ECONOMICS

The home economics department included a class for boys for the first time this year. So popular was the course that it was necessary to limit enrollment. Boys and girls worked together in preparation for the several banquets given during the year. All home economic classes joined with the agriculture classes in a year-end picnic at Silver Creek Falls on April 27.

Music Department

OFFICERS: C. Schultz, Librarian; N. Schroeder, President; C. Scott, Secretary-Treasurer; K. Klum, Librarian.

The mixed chorus consisting of 127 students, being the largest chorus S.U.H.S. has had, had a very successful year under the direction of Miss Schaer. They participated in the Christmas and Spring Concerts, Baccalaureate, in which they sang for the last time with the seniors, and the annual YaWaMa League Music Festival, in April, from which they received very high ratings.

A Band Is Hard to Beat

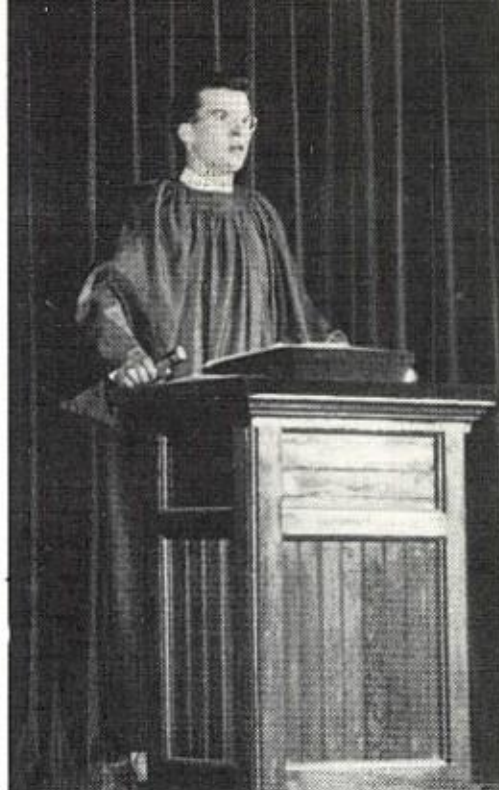

Although the band was small in number, it was not lacking in volume. The members spent much time practicing for the Christmas and Spring concerts, and the Music Festival which was held in Sheridan. They also entertained at the meeting of the Oddfellows in Portland. The summer activities included marching in the Junior Rose Festival Parade and taking part in the local Robin Hood Festival.

Audience Response Was Excellent

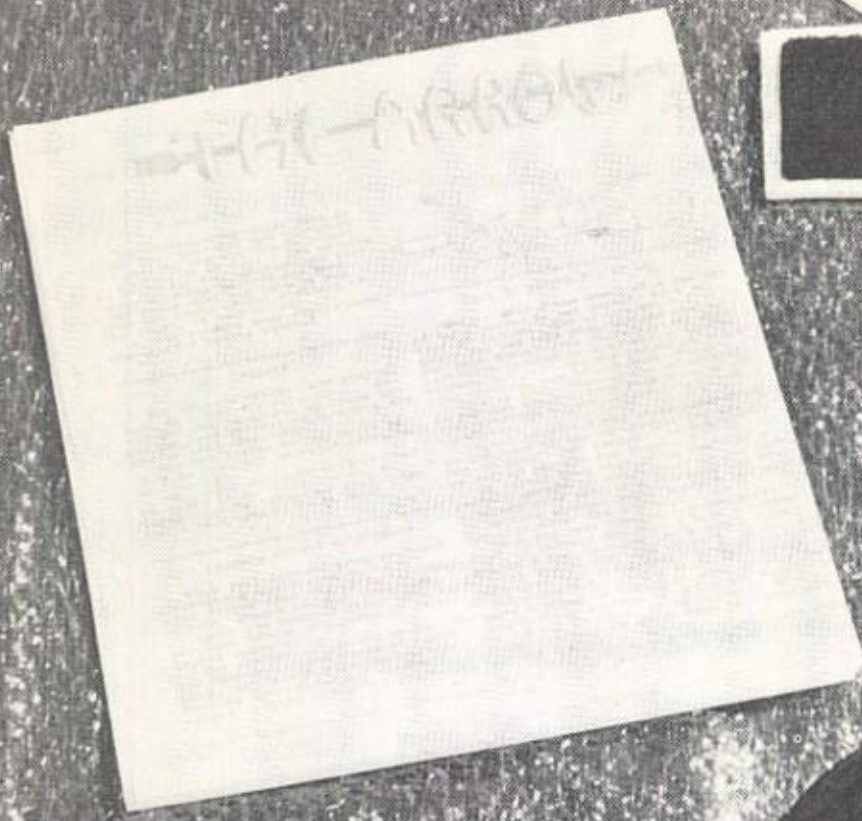

The Spring Concert was held on May 15, 1956. The Mixed Chorus, Girls' Glee, Boys' Glee, high school band, and grade school band all took part in making the concert an evening of musical enjoyment. The hit of the evening was a duet by Rosella Bond and Nancy Longway with Wayne Ficken supplying the extra sound effects.

The School Yearbook Is an Important and Permanent Record

The annual staff of 1956 is very pleased to present *The Quiver* to you.

We have worked hard to bring you a good yearbook, and we hope you enjoy it as much as we have enjoyed preparing it for you.

A great amount of detail work is essential to the completion of a yearbook. A heavy burden rests upon the editor and business manager, who deserve most of the credit for this demanding task.

Mrs. Boutwell, also deserves much credit for the wonderful job she does as our advisor. We know she, too, enjoyed working with us to make this book possible.

Journalism Becomes a Stimulating Activity

Journalism was removed from the curriculum this year, and became a regularly scheduled activity. Student interest was good and *The Arrow*, under the direction of Mrs. Dorothy Sawyer effectively fulfilled its job of keeping the students well informed of school and student life.

Members of the organization attended the annual press conference held on the University of Oregon campus in the fall.

This proved quite a successful year for the Girls' League. The annual Mothers' Tea with the theme of "Melody of Models," was an outstanding success. The program for the year included speakers representing various women's professions, the most outstanding speaker being from the Women's Protective Division of the Portland Police Department. The newly elected officers for the next year attended the Girls' League Convention in Portland. Following their customary plan of adding equipment for use by the league and other school groups, the girls purchased additional card tables this year.

Ten girls earned the required 50 points for initiation into G.A.A. this year. Three juniors, two seniors, and four sophomores received letters for 150 points earned. For the first time in the history of the organization a junior girl, Barbara Hogsett, earned the 250 points required for a pin award. Two senior girls also received pins.

With the money netted from the pop machine, the G.A.A. planned to purchase warm-up jackets for the girls' basketball team.

Interest in Scholarship Furthered by Honor Society

The National Honor Society started the year with three members remaining from last year. Seven new members were selected and initiated into the society January 24. Officers were elected at the next meeting following the initiation, with John Fisher becoming the new president.

Among the group's activities is the making and presenting of honor buttons to students on the honor roll each grading period.

New Club Promotes Interest in Science

The Science Club had its beginning this year because a dozen boys showed definite preference for this type of activity. Though it was not actually a functional club, it is so planned for next year when officers will be elected and individual projects chosen.

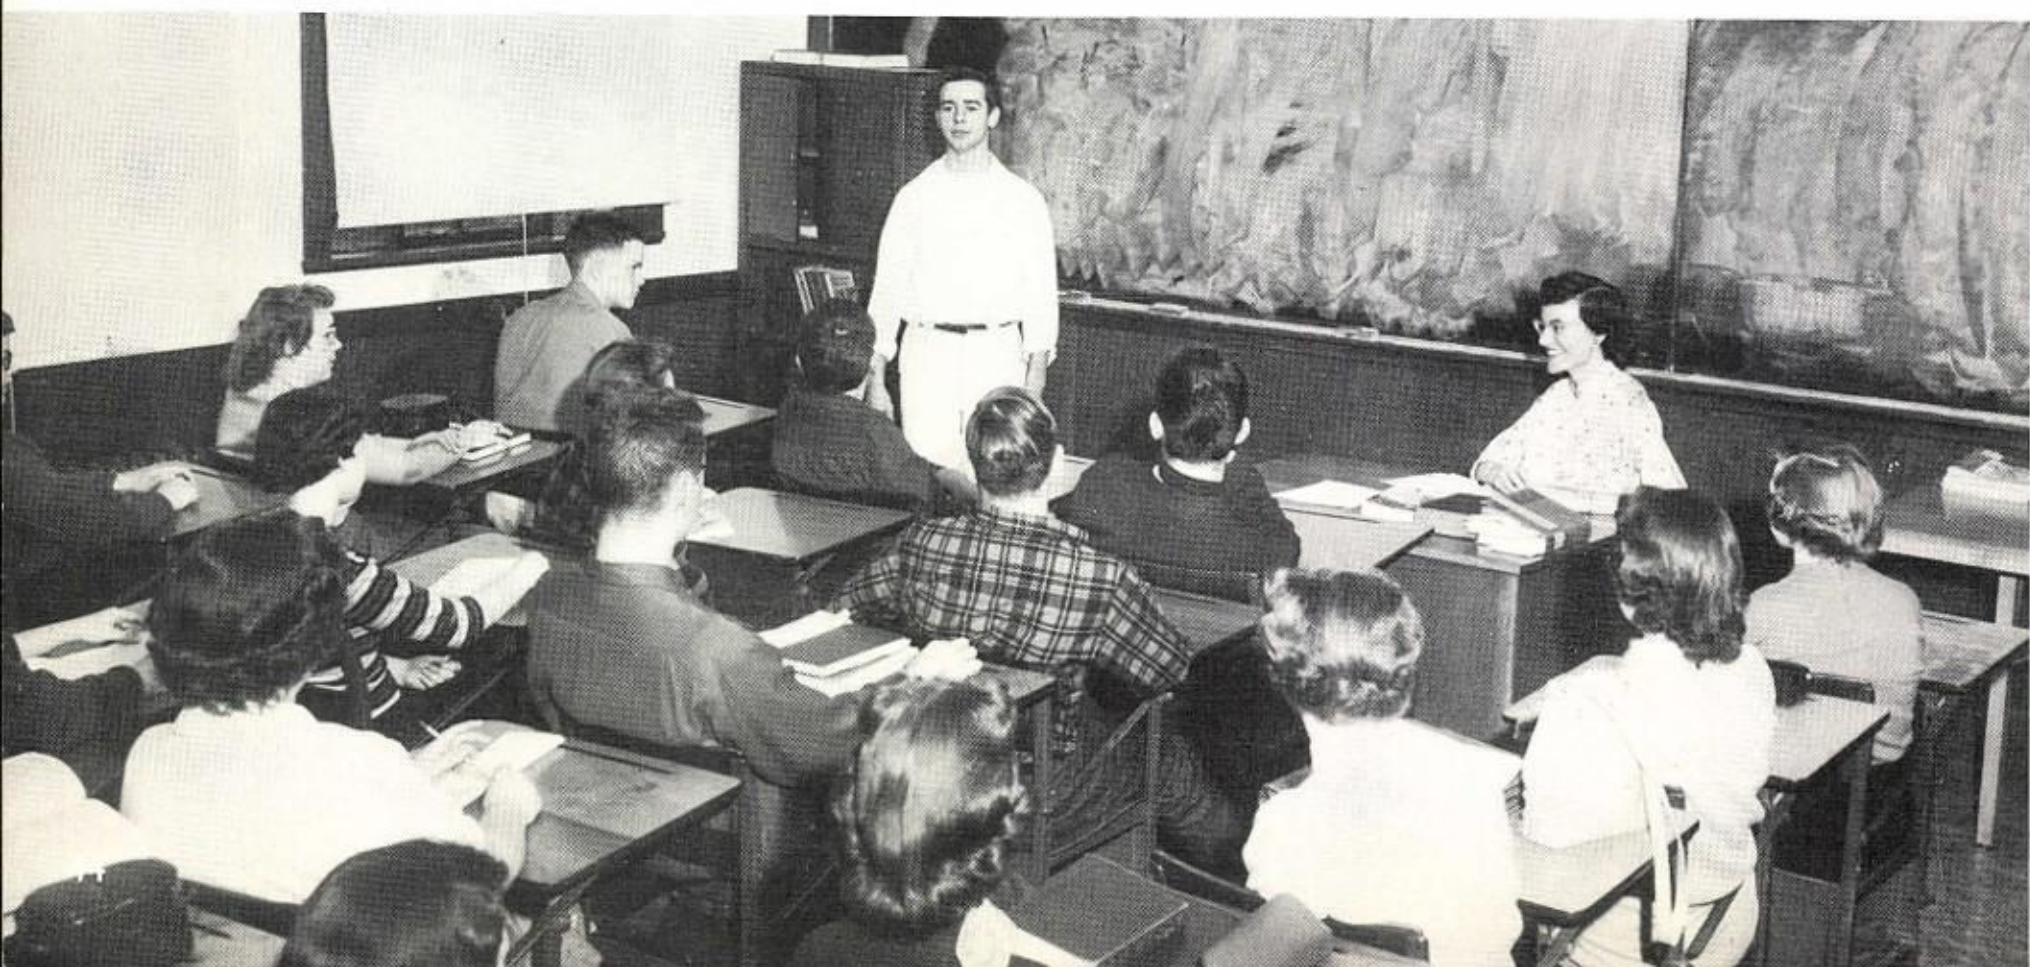

This year, the boys experimented in bacteriology, hematology, photography, electricity, thermodynamics and electronics.

One extended project, a Van de Graaf generator, will be completed next year. It will be used by the physics and general science classes in the study of electro-statics. The club will help defray expenses for the machine by doing all the lathing and casting needed for its construction.

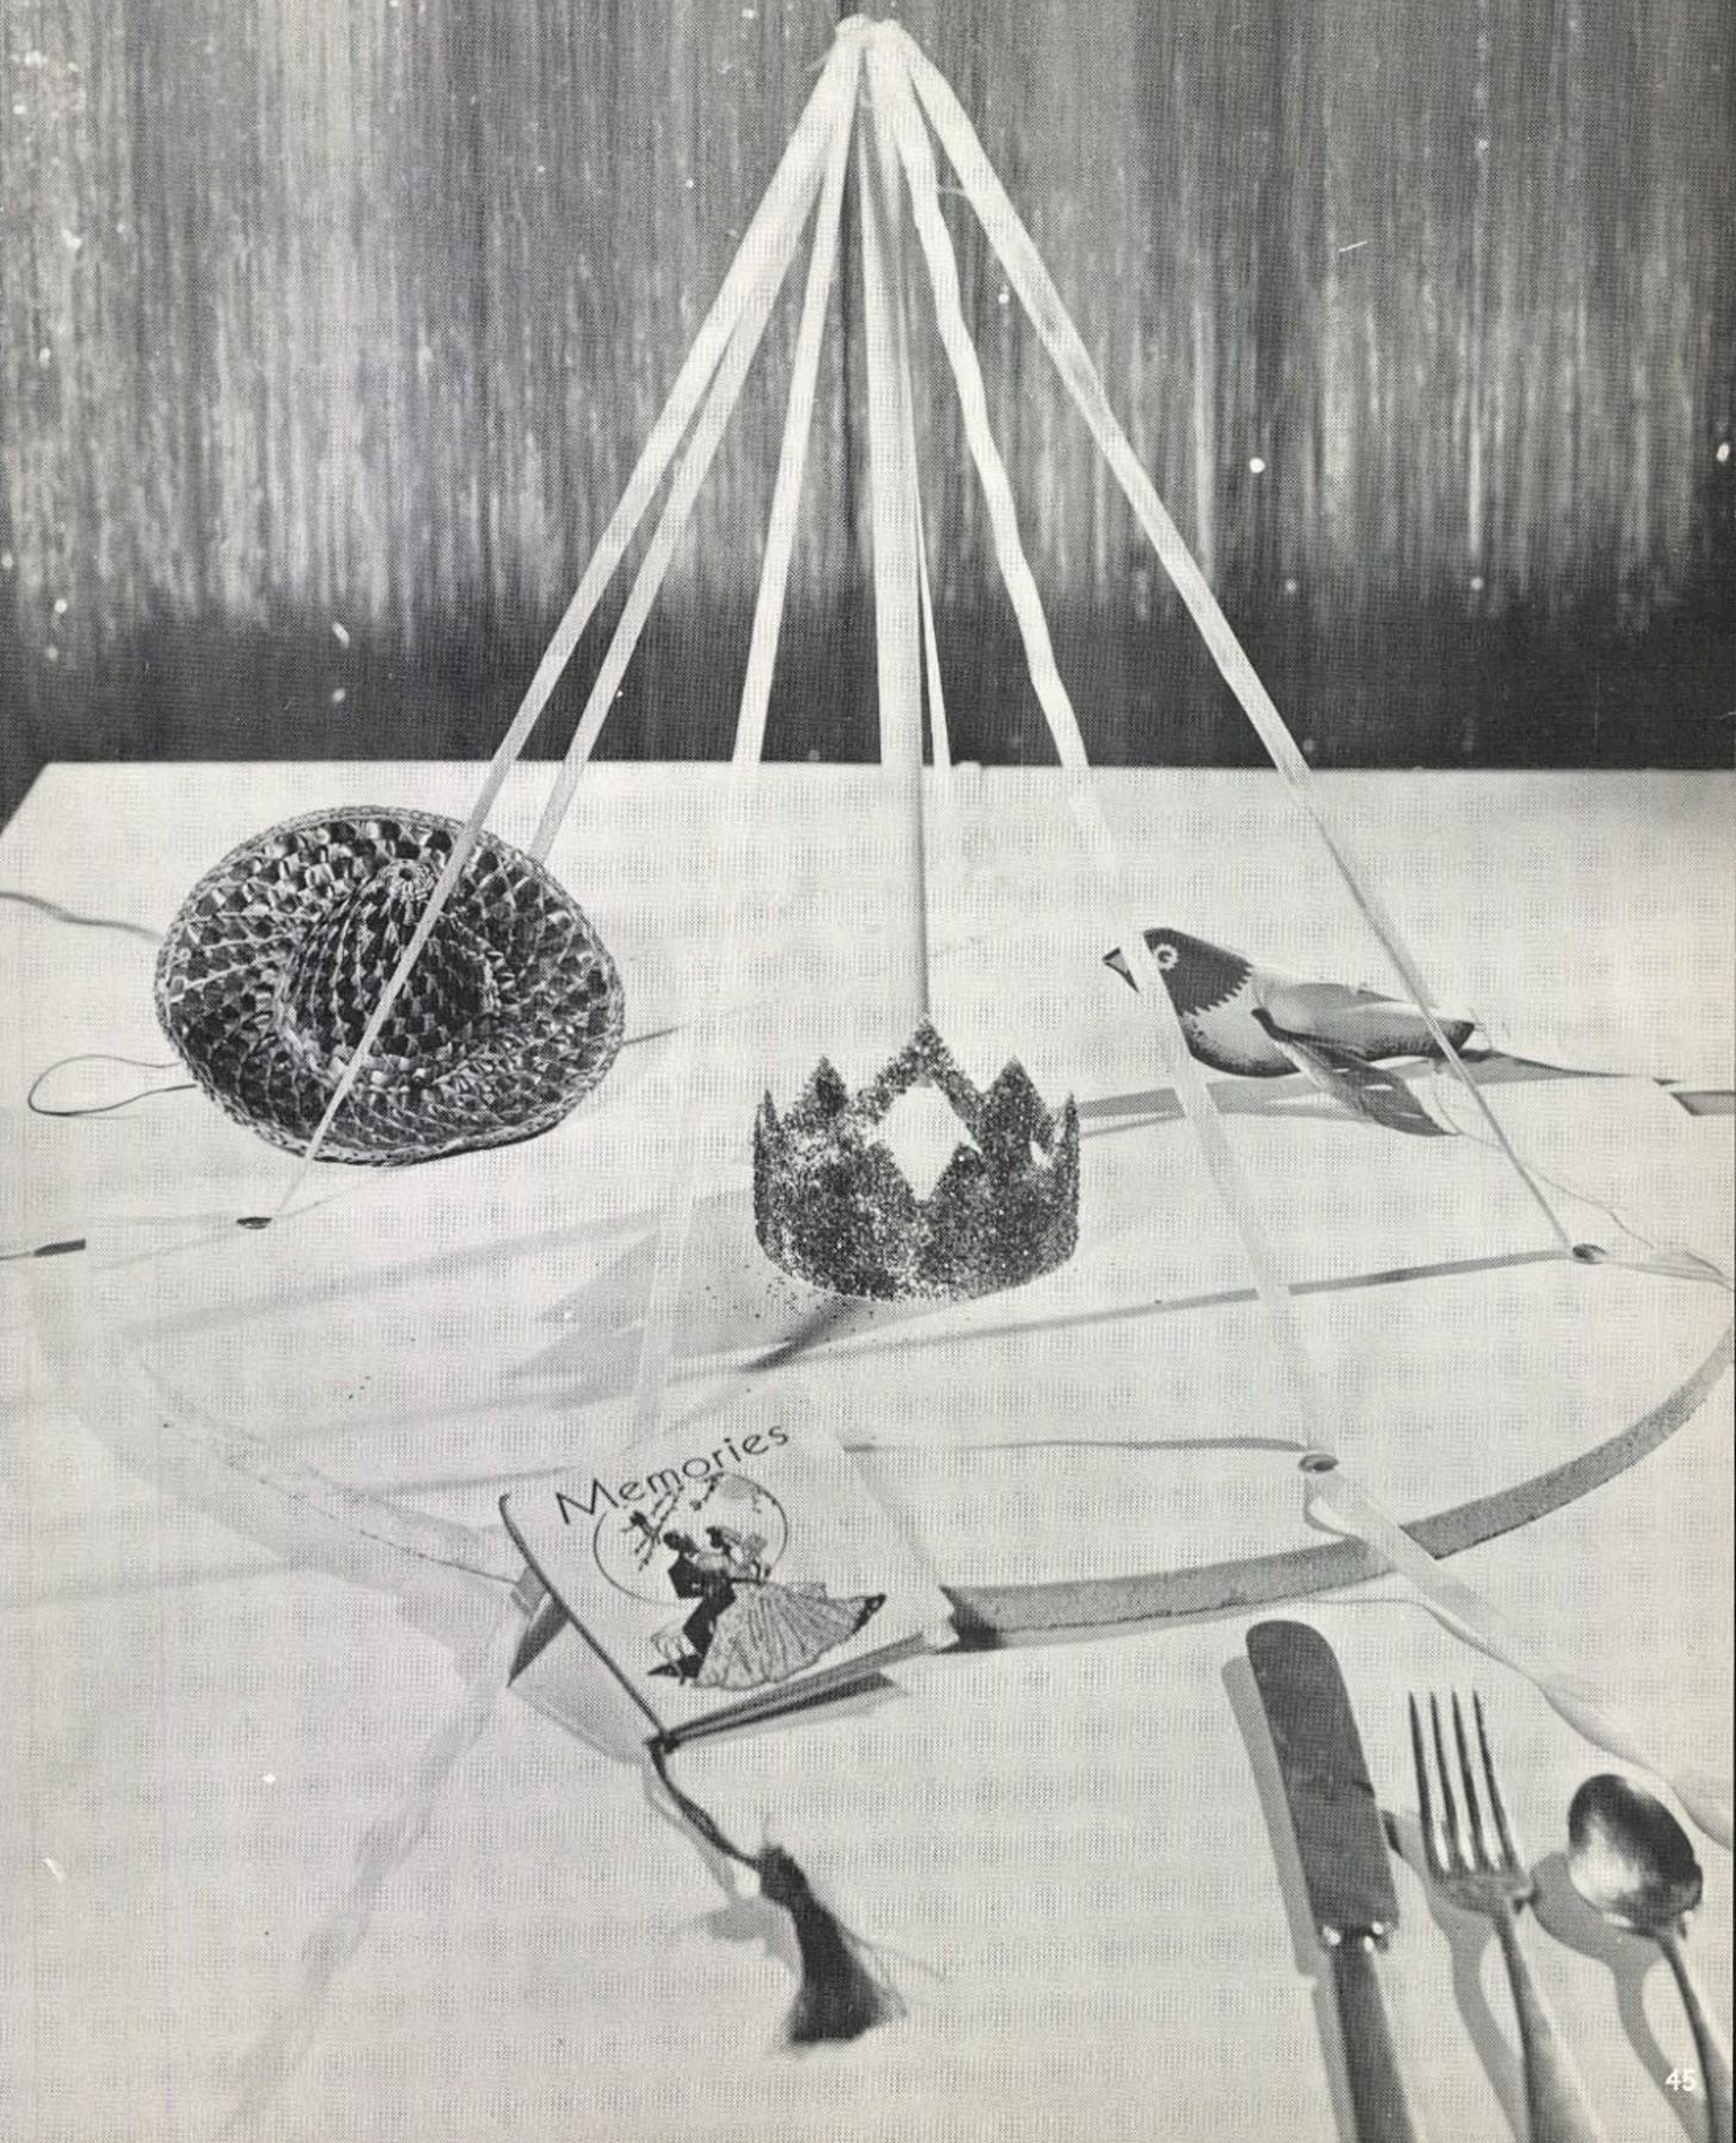

Students Develop Skill in a Fundamental Process

It was a busy, bustling year for the speech class. Monologues, plays, puppet shows, and impromptu speeches kept class members on their toes. Eight girls were chosen for the Speech Contest at Linfield College and proudly returned with excellent ratings.

Football Prospects Look Hopeful

This is the best football season that Sherwood has had since the season of '47. The year started out slowly because the team had five "sophs" on it. As the season progressed the team picked up momentum until it reached a peak when we beat Yamhill, 20-7.

Brings Honors in Basketball

Sherwood had an exceptionally good year in basketball. The Bowmen "five" took all but three of their league games to work into a three-way tie for first place in the league. Then they ventured to the McMinville Armory court for the district tournament. There they won their first two games, only to lose a hard fought battle to the Cascade Cougars. The Sherwood "five" went back the next night to win a close one from Willamina to take third place in the district.

The Bowmen did a fine job for us this spring on the diamond, bringing home second place when they lost only two league games for the season. The last league game was lost to Yamhill by a score of seven to six in extra innings.

Although the team will lose quite a few members through graduation, they are still looking forward to a good season in 1957.

This season was Sherwoods' most outstanding year in track in the history of the school. The Bowmen team took top honors in the league meet, second in the district, and third place in the State A-2 meet on the Oregon State campus, May 18.

The track men are planning another good season next year, for they will lose only one man with the graduating seniors.

This, the second year of wrestling at Sherwood, was quite a good year with a season's record of seven won, and seven lost. The Bowmen grapplers placed second in the league when they lost their match to Yamhill. Twelve members of the team earned letters. The matmen should have a good team next year for they will lose only two men with the senior class.

The G.A.A. girls have a volleyball team each year which is coached by Miss Hagelstein. The team's record in competition was good, considering the limited opportunities for practice.

"B" Team—Front: K. Eaton, M. Morris, N. Westcott, K. Snyder, M. Saylor, B. Day. Back: S. Coshow, M. Weston, M. Barnum, Miss Hagelstein, J. Rehwalt, A. Schuldheisz, R. Schuldheisz.

First row: D. Vick, S. Sasaki, B. Day, A. Schuldheisz, R. Steffen, L. Scott, K. Snyder, M. Saylor. Second row: R. Schuldheisz, J. Jeffers, C. Staven, B. Hogsett, G. Thompson, Miss Hagelstein, E. Gibbons, S. Anderson, M. Weston, D. Patchin, N. Westcott.

Opportunities Were Limited in Favorite Sport

Although basketball has always been a favorite sport at Sherwood High, only four games were played this year. The girls worked hard, and displayed good sportsmanship at all times. Wins were split 50-50 with the opposing teams.

The Trampoline Was Pure Fun

The trampoline was greatly enjoyed by all physical education classes. Although it is not considered a major sport, the trampoline was used quite often for entertainment purposes.
